FIG.10.24 WIRING DIAGRAM KEY FOR FIAT 124 SPORT SPIDER (AMERICAN)

- | | |
|---|--|
| 1 Front direction indicators | 47 Oil pressure gauge light |
| 2 Front parking lights | 48 Oil pressure gauge |
| 3 Headlamps (high and low beams) | 49 Battery charge indicator (red) |
| 4 Motorcompressor for electropneumatic horns | 50 Engine tachometer |
| 5 Horn control relay switch | 51 Engine tachometer light |
| 6 Engine cooling fan motor | 52 Engine water heat gauge |
| 7 Ignition coil | 53 Engine water heat gauge light |
| 8 Oil pressure gauge sending unit | 54 Clock |
| 9 Ignition distributor | 55 Clock light |
| 10 Sprk plugs | 56 Windshield wiper sweep rate rheostat |
| 11 Alternator | 57 Brake system effectiveness and handbrake ON indicator (red) |
| 12 Engine fan motor thermostatic switch | 58 Remove key indicator |
| 13 Front side marker lamps | 59 Vehicular hazard warning signal indicator |
| 14 Heat gauge thermostatic switch: sends heat gauge pointer to scale end (excessive water temperature) independently of sending unit 18 | 60 Panel light rheostat switch |
| 15 Insufficient oil pressure indicator sending unit | 61 Jam switch, on left door pillar, for indicator 58 |
| 16 Engine compartment lamps | 62 Separate 3 amp fuse for indicator 58 and its switch |
| 17 Heat gauge additional resistor | 63 Lock switch |
| 18 Heat gauge sending unit | 64 Jam switches, between doors and pillars, for courtesy lights |
| 19 Battery | 65 Headlamp high/low beam change-over and low beam flashes switch |
| 20 Voltage regulator | 66 Direction indicators switch |
| 21 Press switch for electro-valve energizing during fast idle rate adjustments | 67 Windshield wiper control three-position switch |
| 22 Engine fan motor relay switch | 68 Electropneumatic horn control button |
| 23 Battery charge indicator relay | 69 Electro-fan 3-position switch |
| 24 Starter motor | 70 Electric cigarette lighter (with housing indicator) |
| 25 Engine compartment lamps jam switch | 71 Vehicular hazard warning signal switch |
| 26 Electro-valve, exhaust emission control device | 72 Courtesy light, with incorporated switch |
| 27 Fuses | 73 Electro-fan motor, two-speed |
| 28 Switch on clutch pedal for exhaust emission control electro-pneumatic device | 74 Switch, on transmission (3rd and 4th gears) for exhaust emission control electro-pneumatic device |
| 29 Inspection lamp socket | 75 Fuel gauge sending unit |
| 30 Stop lights switch | 76 Luggage boot lamp jam switch |
| 31 Switch, on the hydraulic circuit, for indicator 57 | 77 Back-up light switch |
| 32 Flasher, direction indicator | 78 Switch, on handbrake lever, for indicator 57 |
| 33 Windshield washer motor button switch | 79 Luggage boot lamp |
| 34 Electric pump windshield washer | 80 Rear side marker lamps |
| 35 Windshield wiper motor | 81 Rear direction indicators |
| 36 Windshield wiper intermittent operation cycling switch unit | 82 Rear parking lights |
| 37 Flasher, indicator 57 | 83 Rear stop lights |
| 38 Outer lighting 2-position switch | 84 Back-up lights |
| 39 Fuel gauge | 85 Number plate lights |
| 40 Fuel reserve indicator | |
| 41 Fuel gauge light | |
| 42 Speedometer light | |
| 43 Parking lights indicator (green) | |
| 44 Directional signal arrow tell-tale (green) | |
| 45 Headlamp high beam indicator (blue) | |
| 46 Insufficient oil pressure indicator (red) | |
